Description

Description	"Through the Bernina valleys to the famous Piz Palu." Shots of a snowy mountainous landscape from a cable car or snow lift. Village nestled in the snowy valley. Interior of a train - people are served by a waiter. Exterior - train passes close to camera. It is the Bernina - Bahn route. Various shots from the train - pretty Swiss villages, train tracks emerging from a tunnel. A snow plough approaches a snow drift. It moves along with snow flying through the air. Various winter sports are shown - ice hockey, speed skating, horse racing in the snow, people on skis being towed behind horses, bob sleighing, sledging, ski jumping, etc. Was an item in Pathe Pictorial issue number 673.
